Hennew Hoseitality.— One of the strangest incidents in connection with Vertical by its for wolves, choke the the expulsion of the Jesuits of France ac'ds with bears and brembles and the expulsion of the Jesuits of France is the fact that some of the exiles found is the fact that some of the exiles found an asylum under the hospital roof of a Hebrew banker. This was a vengeance worthy of Isreal. In the times of Stream, and the inquisition, the Jesuits persecuted the Jesuits pe they receive sheller and bread from self, raise a crop of premium pumpkins. the Israelites, of those whom they once burned at the stake. This a noble revenge and worthy of the people whom the Lord delighted to call his own and

A Walnut Greenbacker

WALNUT TOWNSELP, Mo., Aug. 17 1880. Editor Graphic:-Sir:-I noticed in the local news of the Democrat, Aug. 12 the following: "Where, O, where is the greenback party!"

Now I would ask the man of stable policical views, what he was ranting and swearing so at, when a certain durance the tasks imposed, and we may add is too olten subjected to the hardest and harshest usages of any of our animals, and probably for this reason is most liable to disease and blemishes. least its representatives refusing like a party of will and stamina be taken by the nose and beaded in any di. ection its enemies

saw fit. And what makes this expression look so very ludic ous Mr. Demoyou hera!ded the glorious news of its birtn to Ben Butler and other able states nen, and now unable to identify it? Pshaw! Mr. Democrat, it certainly ly ruined for travel or work. cannot be your offspring, as it does not appear or act as such, for it stands up The bony excrescence or substance of down at the sides. Instead of legs at no. among its enemies.

A. GREENBACKER. He Stopped His Paper.

He stop, ed his paper; he would not read Such a blundering, villainous sheet; O the newsit contained he had no need, He could hear the news on the street.

Only ten days later he sold his corn; But he sounded his head full of den's, Wten he learned, after selling for tweive and a half,

It was quoted at forty-two cents. And his farm was sold for taxes, because He didn't know when they were due, And he bet on a race three days after

A su he bet on the wrong horse, too. He w. fined nine dollars and seventyfive cents

For going out shooting on Sunday, For he didn't know, with no paper to Whether twas Sunday or Monday.

He came to town, to the fourth of July, But it had been over a week, And he felt so mad that he wanted to

For he didn't know how to speak. He Lought that Grant was president, And he never had heard of Hayes;

I. w. wood and blunder, and trouble Ailof his weary days So he came to town one summer morn, And he "signed" for his paper again, And went back to his wheat and corn,

More Wife than Country. The other night, soon after a ward meeting had opened, one of the elecwas soon stopped by a friend, who

"Don't leave us now, I want you to hear what the speaker is saying. or the country is doomed." "Yes, I know, but i've got to edge

along towards home," was the reply. "Home? great heavens, how can you talk of going home until he has finished that speech! There he goes again! He asks if you want to see Vt., treated a bad case of spavin with grass growing in the streets of our cit- this remedy and in six weeks the lameies-our fertile farms returned to the ness was gone, the bunch nearly remov-

room to receive another?"
"No, I don't know as I would, but I guess I'll sort o' work my way out."
"Wait fifteen minutes—ten—five—wait until he finishes. There it is again! He asks whether you are a freeman or a slave? He wants to freeman or a slave? Spavin, Ring-Bone, Etc., Methods of Treatment.

The horse is our noblest domestic anaffection almost human in its nature, and performing to the last point of en-

Many an otherwise valuable horse is less unfit for service by ugly spavins, unsightly ring-bones, splints, e'c. Sometimes these difficulties are not of r serious nature, that is, do not lame the be at a sacrifice of price. Generally, however, the horse is permanently lamed, unic's the cause is removed, which is very seldom-and often entire-Spavins are most generally produced

to be counted among its friends, and which it is composed will grow quite the corners, the table is sustained by fast and sometimes give the appearance of an enlarged joint, and unless attended to in season will soon become difually with very indifferent success. remove the bunch already formed or office: cure the lameness, besides the processing. s a painful one producing soreness and rendering the horse more or less unfit for service. Some four years ago Dr. B. J. Ken-

dall of Ecosburg Falls, Vt., having a horse troubled with spayin tried blistering to cure it. The operation appeared so pain ul and upsatisfac ory that it was abandoned with the belief that a was abandoned with the belief that a remedy less torturing in its application and more certain in its effect might be devised. Accordingly the Doctor set himself to work, and being a practical physician and druggist, succeeded in preparing a remedy that since its introduction to public notice, has achieved a success that is of the most satisfaclo y character. About three years since, he ring of several cases where "Kendall's Spavin Cure," as the remedy is ermed, had been used with good effect. took some pains to ascertain the facts in the case, and reported the same for several of our leading a gricultura! jour-nals. I gave a few instances to which of half a hen's egg, and producing severel ameness. After trying the usual remedies with no effect, learning of "Kendall's Spavin Cure," a bottle was mauga. obtained and used according to directions. The application produced no blistering, did not appear to be painful and left no sear or catious. A one dolar bottle was used and it cured toe spavia, stopping the 'ameness and re-moving the bunch. I examined the legs work on a machine that is only to upon which the spavin was located.

The horse has been worked hard since was a Corn cheen many who i yen and upon examining him the second time a while since, after an interval of and loss of a recommend

wilderness—our families crowding the poor houses until there is no longer to since the horse cored. There has been no return of the difficulty since, although the horse bas been to receive another?"
